Allstate Appoints Kirkpatrick

Todd D. Kirkpatrick, 2439 West 237th St., Torrance, has been appointed sales representative for Allstate Insurance Companies, according to C. J. Weiss, assistant vice president and regional manager.

Weiss stated that Kirkpatrick has completed an intensive professional training course at the companies' regional training center at Pasadena. He will also represent the Allstate Safety Crusade, a country-wide campaign carried on by the companies and their agents to assist officials in reducing traffic accidents by working with individuals and civic organizations in promoting safety projects.

Presbyterians Set Activities

United Presbyterian women of the First Presbyterian Church of Gardena, 1957 Redondo Beach Blvd., will hold an evening meeting Thursday at 7:30. All ladies are invited and their husbands, too. Nursery care will be provided. The Rev. Mr. Bravo, an exchange minister from Brazil, will be the speaker.

A good time for all is promised to those attending the Youth Carnival on Saturday, June 3. The theme "Around the World" will be carried out in the booths and decorations. Games, prizes and good food will be on hand from 12 noon to 7 p.m. Supper will be served at the carnival. All proceeds to go towards tuition for the summer campers.

Russell Cantwell Is Circuit Minister Now

Appointment of Russell D. Cantwell as Circuit Minister of Jehovah's witnesses in California Circuit No. 16 by the Watchtower Society of Brooklyn, N.Y., was made known

RUSSELL CANTWELL

to representatives of the eighteen congregations comprising the circuit at a meeting in the Kingdom Hall in Compton, California, last week.

Mr. Cantwell was born in Henderson, Arkansas, in 1920, and has been in the full-time ministry for 27 years. He is a graduate of the Watchtower Bible School of Gilead in New York State, and his experience as a circuit minister of Jehovah's witnesses in various parts of the United States has covered many years.

In 1955 he made a tour of Europe, attending a number of large conventions of Jehovah's witnesses both in England and on the continent. Mr. Cantwell is one of a family of nine, seven of whom are in the full-time ministry, including his father now 83. He is accompanied by Mrs. Cantwell and daughter, Darla Lynn, who at the tender age of five has crossed this continent five times and has been in 38 states and Canada.

"The purpose of a circuit minister," Cantwell said, "is to train those already engaged in the Ministry to be more effective in their presentation of the Gospel at the doors of the people, and to improve their teaching ability at home Bible studies. With this in mind," he continued, "a six-day visit will be made to each congregation in the circuit approximately every five months."

The growth of Jehovah's witnesses in the very recent past has made it necessary to organize another circuit in this area, and to add another circuit minister. It was also pointed out that the constant and continuing growth of the Witnesses is attributed to their living by the Bible principle of showing love to one another and to the people they meet in their ministry and in every-day life.
